CHSSA HALL OF FAME
1999 INDUCTEES

MARTHA KENNEDY

Martha Kennedy, head coach at Redlands High School for the past 16 years, has coached more than 330 students who have made it to the California State Speech Finals placing in the top ten schools eight times.
She has coached six state champions and two national champions with many students reaching the final round at state each year. Redlands is one of the largest teams in the state with students competiting in every state and national category. She has served as Citrus Belt Speech Region President, Treasurer and Administrative Assistant, Area IV Chair two years and NFL District Chair for six years.

"One of my greatest satisfactions as a speech coach is knowing that the skills we work to improve can have such a positive impact on students' lives. I see self-confidence growing every day, and I am amazed at the creativity of my students year after year. I love the challenge of a student-run program and value the ideas and imagination of the Redlands students who roll with the chaos of my job, support me, and still manage to keep me entertained. It is particularly meaningful honor that this award comes from my fellow coaches in Citrus Belt and around the state. In a demanding, often exhausting job, I feel fortunate to have colleagues whose motivation and high standards encourage me.

TOMMIE LINDSEY, JR.

Tommie Lindsey, Jr., received a B.A. Degree in Communications from the University of San Francisco in 1973. He continued his education at the University culminating in a B.S. in Sociology in 1975 and a Secondary Teaching Credential in 1976. Mr. Lindsey began his teaching career at the Alameda County Court School where he taught all subjects in a self-contained classroom. In 1980, he moved to the New Haven Unified School District where he taught Mathematics, Public Speaking, Government, U.S. History, Ethnic Studies and World History at the high school. Lindsey now teaches Forensics, Rhetoric and Debate.

His superintendent describes Lindsey as being, "Creative, compassionate, caring and committed." His students say "Mr. Lindsey has been our faithful supporter, trusted confidante, speech teacher and even our parent away from home."

JACOB C. ("Chuck") VOGLER

Chuck Vogler has been coaching speech and debate at Bishop Montgomery H.S. (Torrence) for a successful 19 years.During 16 of those years, he has served the Western Bay Forensics League in an executive capacity: as treasurer for 4 years, and as president for 12 years. As a member of the California State Speech Council, he has been a reasoned and forthright advocate of necessary reforms of competitive forensics as well as a staunch supporter of vital programs for speech communication education.

Vogler's most important contribution to the speech community has been as mentor to both new students and new coaches. His message is simple and direct: "Balance and growth are essential in competition as in life -- we must strive to accomplish both."

Introduction to Speech:

THE CHSSA STORY

The 1999 CHSSA State Speech Tournament at San Diego State University is sponsored by the California State Speech Council (CSSC).

Prior to 1958, the State Tournament was run entirely by college personnel. A total of twelve entries were permitted from the two qualifying tournaments -- one held in the South at Redlands; one held in the North at College of the Pacific. At the State Qualifying Tournaments, there were no limits on individual school entries; a school might enter twenty students in one event. In most cases, there was only one preliminary round; there might be eight or nine speakers in a panel with one judge, and only a first or second place would allow a student to advance. The college personnel wrote the rules for the events, and those rules could change each year. And the trophies were so small that one coach claims if her student had won two, the student would have had a pair of earrings.

The California State Speech Council was organized in 1957, and the first State Tournament sponsored by the CSSC was in 1958. At that time, twenty-four students qualified for each event through competition in CSSC recognized leagues and through NFL districts.

Today, the State Speech Tournament is managed entirely by California high school coaches. A total of forty-nine entries compete for the State Championship in each of eleven individual events -- eighty-eight compete for honors in Congress -- and 64 in Team Debate and Lincoln/Douglas. All State entrants must earn the right to compete through State Qualifying Tournaments held by each of the official State leagues.

Through the years, the number of events has changed and some events have come and gone. The distribution of student qualifiers has been improved. The number of preliminary rounds and the number of judges required for each panel have increased. But the coaches of California still -- and always will -- spend hundreds of hours each year to assure students they will experience an outstanding State Tournament.

State Championship Scholarships

Since the 1990 California State Speech Tournament, the California High School Speech Association (CHSSA) has contributed $20,000 in scholarship aid to state champions in every event at the state tournament.

Generally state champions in each event are awarded $150 in scholarship aid because of special donations. this was the case for the Congress champion in 1997. An additional $300 was donated by friends of Gary Reed, a longtime coach who passed away in 1997.

The scholarship aid awards were begun in 1990 through the generosity of many coaches who contributed money to establish a trust fund. Since that time $150 for each event is placed into the trust from state tournament entry fees.

Many students have been repeat state champions over a span of several years and have received multiple awards. there are several three-time champions who recieved $450 for their outstanding effort and consistency.

At the annual awards ceremony, first place students receive a letter confirming their award. The students return the letter properly filled out to the CHSSA Treasurer, and a check for the proper amount is sent directly to the university financial aids office where the student has been accepted. Checks are generally mailed in August to coincide with the beginning of a fall semester or quarter. champions collect their award from their university financial aids office.

Anyone may donate funds to the CHSSA Scholarship Fund. CHSSA is a non-profit, educational organization, and all donations are charitable tax deducations. All donations should be sent to: CHSSA Treasurer Larry Smith, 4450 E. Santa Ana, Fresno, CA 93726-1141.
