

**2017 AREA CHAIR CANDIDATE, AREA I
DANIAL LEAHY
GOLDEN GATE SPEECH ASSOCIATION**

Hello,

My name is Dan Leahy and I am running to be Area Chair. I have been coaching since 2009, and in GGSA since 2010. I have worked with both large and small programs and different organizations. I think that experience will help me to provide support to all programs in Area I. I look forward to working for everyone in Area I, and plan to focus on making CHSSA more accessible to new and established programs alike. By making the rules and procedures we have clear and understandable. Working with new programs to ensure they understand the qualification and script process for the State Tournament. I also want to look at creating an e-script process to make evaluation and approval process more efficient for everyone involved. I would love to see every student have the opportunity our activity provides and I will do whatever I can to support our Area and the State as a whole.
