

**2017 AREA CHAIR CANDIDATE, AREA II
MIKENDRA MCCOY
YOSEMITE FORENSIC LEAGUE**

My name is Mikendra McCoy; and I am a "speech-oh-holic!" I have been addicted to this activity for over 25 years; speech and debate has been with me longer than I have legally been able to drive! To give a short list of accomplishments/requirements: I have been on the CHSSA council for almost ten years; first as part of the Curriculum Committee, and presently as the Coordinator of Public Relations. Prior to that I worked in the SVFL for over 15 years as everything from a coach to league president, and have recently joined the YFL; before that I was a collegiate, and high school, competitor. Regardless of the list, it is my heart that I hope you hear ... I would love to take my experiences, partner those with my passions, and make a difference in growing the activity. I love coaching new coaches, starting and working with new teams, partnering with the community and cultivating the growth and development of competitive communication. Because of this, and the belief that the position as Area II Chair is a means to that end, I am writing to formally declare my desire to run for the Area II Chair position.
