

Area IV Chair Candidate – Sarah Sherwood

My name is Sarah Sherwood and I believe that speech and debate coaches have the power to change the lives as my coach did for me years ago. After debating for Chino Hills High School in CBSR I went on to compete for college programs in Debate and IEs then moved directly into coaching. I have been the Coach of Servite High School for 7 years and have spent 5 of those years on the board of the OCSL.

As President of the OCSL I have taken steps to grow our League by reaching out to middle schools, working with local Kiwanis Clubs, and visiting schools to help coaches. As Area Chair I want to encourage growth in all Leagues. I also want to encourage more communication. As I can be found in Tab at many invitationals I hope to be accessible for all coaches to speak to. Further, as Area Chair I will work to help bring positive change to CHSSA. There are too many punishments for honest mistakes. The prevailing protest culture is toxic. My purpose as Chair is to always do what is right for our students not to simply disqualify them. I ask for your vote.
