What techniques did the speaker use to connect with/engage the audience? _____

Additional questions for classroom discussion

(depending on the speech and/or level of experience of the student, you may revise the worksheet by adding any of these questions to the worksheet):

- How does the speaker connect the hook to the topic?
- How well did the speaker convey their knowledge of their topic?
- How well did the visuals provide value and successfully support their presentation?
- Did they use humor and was it appropriately used?
- Was the speaker able to add their personality into their speech?
- Was the speech well organized and did the structure enhance the purpose of the speech?
- Did the speech make you feel more informed or enlightened about the topic they selected?
- How good of a job did the speaker do avoiding making this speech a persuasive speech?
