

1. Introduction of members...roll
2. Minutes of May 23, 1964 meeting held in Fresno
3. Financial report for 1963 - 1964
4. Housekeeping
 - a. NMEA convention representative
 - b. Bringing all copies of Constitution up to date
 - c.
 - d.
5. Committee Session: Half hour to an hour of informal, off-the-record yak, no minutes, buzz groups, person to person chit-chat, coffee-quaffing for the purpose of craw-unstuffing, bile-spilling, spleen-venting, oil-spreading, perspective-perspicacitating, issue-clarifying, chaff-sifting, catalyst-finding to bring about thinking, exchanging, understanding
6. Consideration of Kenneth Lynch's proposal for complete revamping of the Constitutions (starting with name of organization, continuing with new methods of financing, and running through a new qualifying arrangement). A motion, passed at the May meeting, makes it mandatory to vote on the Lynch proposal.

N.B. a. If this proposal is accepted, then the following parts of this agenda will be inapplicable: #s 7, 8, & 9.

b. If this proposal is rejected, then the group moves on to Item # 7.

c. If this proposal is withdrawn as a unit, then pertinent parts may be appended to the following parts of the agenda: #s 7, 8, & 9.
7. Consideration of qualifying problems (N.B. This is the only problem area that the CASSA people have asked to be considered for prompt action.)

Problems: status of N.F.L., status of heavily-populated, large participation areas, status of schools unable to enter qualifying tournaments.

 - a. Miss Mellgren's amendment -- Qualifying opportunities follow proof of stability
 - b. Bro. Maguire - Mr. McLeod -- Amendment of Section 3 of Article III of By-Laws
 - c. Mr. Lagnese's proposal -- congressional concept
 - d. Mrs. Ritter's 1963 proposal
8. Consideration of problems of Coordinator's Office

§.

 - a. Financing office through increased league assessments or through assessment of each individual speech school
 - b. Increased activity, responsibility, and authority of Office of Coordinator
9. Consideration of Council responsibility for Speech Education
 - a. State Course of Study
 - b. Direction of in-service education of coaches, teachers
10. Election of Officers of the Council for 1964 - 1965
11. Instructions to NMEA representative
12. Varia: schedules and rosters, next meeting, (more frequent meetings?), assessments, etc.

3

Some BACKGROUND MATERIAL

1. The CSSC -- California State Speech Council

- a. Age -- 1) State Championship speech tournaments have been held since the '30s. However, in the beginning, "State" was a loose word, meaning at one time the Invitational Tournament at Redlands University.
- 2) State speech tournaments have been held on the Santa Barbara campus of the University of California since at least 1955.
- 3) The CSSC -- after north-south negotiating, horsetrading, compromising-- was formed in 1957.
- 4) The Council has now completed seven (lucky?) years of service to the highschools of California.
- b. Council Officers during the seven years: (President and Secretary-Treasurer)
- | | |
|-------------|--|
| 1957 - 1958 | Edna Speltz and Bill Lewis |
| 1958 - 1959 | Joe Lagnese and Mary Ritter |
| 1959 - 1960 | Carmendale Fernandes and Bro. Maguire |
| 1960 - 1961 | George Armstrong and Ted Moore |
| 1961 - 1962 | Mary Ritter and Bro. Maguire |
| 1962 - 1963 | Larry Mushrush and Bro. Maguire |
| 1963 - 1964 | Bro. Maguire and Phil Shediwy Schediwy |
- c. CASSA liaison men during the years: Bruce Lawson of Mark Keppel High, Alhambra
Norman B. McLeod of North Hollywood High
Collins Haan of Fremont High, Sunnyvale
- d. CSSC Accomplishments:
- an organization recognized by CASSA as the representative and spokesman for SPEECH in the highschools of California
 - a stable group of independent speech leagues that manages to engage in mutual speech activities while maintaining individual sovereignty
 - a history of meeting and solving each problem that confronts it by using the time-honored, time-tested method of compromise and accomodation
 - a strong state-wide program that is growing in size and prestige
 - the beginnings of a speech education center in the Office of the Coordinator
 - the beginnings of speech education activities in the conference areas, following the example of the SCSC.
 - the momentum and rhythm of smoothly-run State Tournaments
 - a growing rapport and understanding among all coaches as result of annual coaches' meetings at the State Tournament
 - creating an atmosphere in which competitiveness is less blatant

2. Current problems:

a. The multi-headed qualifying issue --

1) N.F.L. schools have two qualifying opportunities

Do not change:--that's the way the CSSC was set up...

- in the northern part of the State there is no serious objection to this arrangement

- schools with large and stable speech programs deserve this special consideration

Do change: --an unfair advantage...some more equal than others

--schools that want NFL charters can't get them

--by restricting charters the NFL created this problem for its memb.

--NFL tournaments are restricted and unfair in themselves

--objective viewers tend to view with alarm

- 2) Some parts of the State do not have access to State Tournament
Keep things as they are: -- if these parts develop a program they will be accepted
-- there has been no formal application yet
Open things up: -- if a school is accredited it should have opportunity (precedent of CIF, Student Council group, CSF)
-- state tournament should be truly state-wide

- 3) Los Angeles area with large population and large participation should have proportionately large representation at State Tournament
Keep things as they are: - geographical balance is more important than population balance
- one area would have advantage at St. Tourn.
- local problems settled locally
Give more qualifiers: - reward participation
- think in terms of students, not areas

b. The Office of the Coordinator

- 1) Request for financial assistance (cf. Mr. Palmer's financial report of May 23, 1964)
-- in view of services to SPEECH already rendered and in view of increased services contemplated, the Council should plan to allocate funds to the Coordinator's office
-- should funds come from leagues or from schools? Precedent of CIF, CSF, Student Council org.
2) Increase authority and responsibility of Coordinator's office
-- frank consideration of benefits to be gained and the possibilities of lessened Council authority, mostly by default
-- California is almost unique in its lack of centralization in speech

c. Site of the State Tournament

- 1) We have found a home; we're used to it; there's rhythm and pattern; it's neutral territory
2) variety, traveling costs,

d. Speech Education

- more important and more valuable and therefore worthy of more time?? (the "than" understood is "than competitive matters")
-- course of studies, curriculum integration, professional growth & status

3. Attitudes to bring to the meeting

- a. Council members are experienced, intelligent, devoted, dedicated, sincere, interested. (Egad! Canonization yet!)
- b. Council members have both local and state responsibilities.
- c. Compromise is not a dirty work. Democracy battens on compromise and accomodation.
- d. Continue rapport of coaches' meetings of 1963 and 1964.
- e. Determination to settle once and for all the matter of injustice...real or not real.
- f. Qualifying problems are essentially non-essential. Speech education in general should be a worthy area of preoccupation. (Curriculum, in-service training, teaching and coaching aids, pamphlets.)
- g. A sincere effort to understand the other area's needs.

5. Points of view or positions to choose among when discussing and making decisions:

As has been said, there is a greater need for question marks than for periods.

- a. Should we maintain the status quo, the way things are right now?
- b. Should we modify the status quo by amending the present, CASSA-approved Constitution and By-laws?
- c. Should we make a complete, right from the roots (radical) change? A new Constitution?

- d. Should we maintain our present set-up of a (con)federation of leagues, with the leagues serving as basis for financing and administering Council activities?
(Individual schools protected by a form of collective bargaining.)
- e. Should we base the financing of Council activities on assessment of individual schools?
In effect, eventually relegate leagues to local activities?

- f. Should we maintain the present regional concept, dividing the State in northern and southern regions and then settling things from that base?
- g. Should we ignore such regional boundaries and consider the State as a unit?
Analogy: a federal union such as U.S. or a centralized state such as France.

(Here seems to be the obvious place to inject the happy or sad thought that the people of California do think in north-south terms: politics, smog-fog fun and games, north-south track meet, north-south Shrine football game. The regional concept seems to be part of California reality.)

- h. Should one set of rules be applicable in all parts of the state regardless of local interests and problems?
- i. Practically speaking, should local interests and problems determine the manner of solving qualifying problems?

- j. Should we ask leagues (or individual schools) to give proof of interest and stability before accepting them for qualifying tournaments?
- k. Should we make qualifying opportunities available to any league (or individual school) without provision for stability simply because ~~it/it~~ each league or school has an inherent right?

CALIFORNIA STATE SPEECH COUNCIL

TO: Council members
FROM: Ted Moore, Secretary

MINUTES of the meeting of October 10, 1964

The election of new officers not taking place until the last hour of this marathon meeting, the following notes were supplied by last year's officers Bro. Maguire and Phil Schediwy in lieu of minutes. I have edited and added for clarification as my memory serves.

1. Meeting called to order at 9:30 AM by President Bro. Robert Maguire, S.M.
2. All leagues were represented by league presidents or by proxy as follows:
Golden Gate Speech Association (GGSA) - Jack Mansfield
S.F. Bay NFL District (SFBNFL) - Ted Moore
Bay Area Conference Area (BACA) - Winston Miller and Rev. Charles Henry, S.J.
Yosemite Forensic League (YFL) - Mary Ritter (proxy)
Valley Conference Area (VCA) - Mary Ritter
Southern Valley Forensic League (SVFL) - Cecil Briscoe
Central California NFL District (CCNFL) - Florence Gholz for Donovan Cummings
Southern California Debate League (SCDL) - J. Philip Schediwy
West Los Angeles NFL District (WLANFL) - Allen Klotz
East Los Angeles NFL District (ELANFL) - Duane Johnson
Southern California Conference Area (SCCA) - Beverly Booth
Citrus Belt Speech League (CBSL) - Kenneth Lynch
Southern California NFL District (SCNFL) - Kenneth Lynch
San Diego Speech League (SDSL) - Gayle Todd
San Diego - Citrus Belt Conference Area (SDCBCA) - Joseph Iagnese
Outgoing president - Bro. Robert Maguire, S.M.
Council representative to CASSA curriculum committee - Paul Pritchard
Council coordinator - Dr. Upton Palmer
Representative from Calif. Assoc. of Secondary School Administrators (CASSA) - Mr. Norman McLeod
Visitor - Dr. Edward Steele of Humboldt State College
3. Financial Report
The secretary-treasurer (Phil Schediwy at the time) reported that the balance was \$139.81 with \$10.50 owed additionally for postage and miscellaneous bringing the balance to \$129.31.
4. NUBA Representative
After explanation by Dr. Palmer that he is the Calif. NUBA representative to the Committee on Discussion and Debate of the National University Extension Association, but always yields his vote to the CSSC representative, and in accordance with the policy of keeping the same delegate over a two year period, Bro. Maguire was again chosen as CSSC NUBA delegate for its 1964 meeting. It was further agreed that the leagues be assessed to cover his expenses.
5. Voting power of Conference Areas
The amendment to the Constitution, first proposed in April, 1964, "Conference Area representatives shall vote on curricular matters only, was defeated.
6. CASSA Curriculum Committee
Paul Pritchard reported on his meeting with the CASSA Curriculum Committee. He was assigned to the English sub-committee and was the only teacher on the committee. He was directed to continue to represent the CSSC on that committee for a three year period. It was unanimously agreed that his overnight expenses (if any) and mileage be paid to those meetings.

Council recessed for 45 minutes of informal discussion on qualifying problems.

2

7. Mr. McLeod's comments

Mr. McLeod commented on what CASSA would like to see done about the inequities in qualifying procedures, i.e. the elimination of double and NFL qualifying. He further commented on the plan he and Bro. Maguire had drawn up assigning qualifiers by area. He further suggested that since the matter was complicated and the time short, that plans be considered for the 1965-66 season rather than for this year. Mr. McLeod passed along the information that there is a definite movement toward centralization of control of all non-athletic activities including drama, forensics, CSF, student councils, bands, etc. The push for this is coming from high school activities' coordinators and from Mr. Jensen, principal of South High in Bakersfield. He suggested in effect that unless the council eliminated inequities and solved its own problems, someone else might.

8. Mr. Steele's comments

Mr. Steele of Humboldt State College spoke of the need for representation for the Humboldt area Redwood League. He discussed and answered questions concerning the extent of their activity. He suggested that the Redwood League in the NW portion of the state was ready for participation this year, but that it might take some time before the NE area was ready.

9. Proposed new constitution

The constitutional portions of the proposal made by Ken Lynch at the May, 1964 meeting were, at Mary Ritter's suggestion, considered section by section. Motions to amend various sections were made. Motions to eliminate NFL districts from Council representation, to include the purposes from Article II of the present constitution, to insert language calling for an equal number north and south of the Tehachapi, to list the leagues represented, to limit CSSC power to assess tournament fees to the State Tournament fees only, and to insert other wording from the present constitution, were all approved. Motion to delete sections concerning the establishing of dues for all schools in the proposed state association was defeated. Some votes were roll call, but apparently no league by league voting record was kept. These deliberations engaged most of the meeting until about 5:00 PM.

A vote on the proposed constitution as amended and as a whole was then called. Several members said that they had been asleep at the switch and did not realize that a vote would be taken on the constitution today and expected only by-law changes. Or they indicated a desire to get instruction from their leagues on the amended version, before voting. Others insisted that an immediate vote be taken on the grounds that this was clearly on the agenda for this fall meeting. Point of order was made by Ted Moore that the amended version was substantially different than that submitted to the council last spring and that, therefore, an additional 90 days was required before ratification. After much discussion, the chair ruled that the point was not well taken. Gayle Todd moved to appeal the decision of the chair (so the members would have a chance to vote on the chair's ruling). The decision of the chair was sustained by a majority of yes votes with only a few nays and several abstentions. Therefore, an immediate vote on the new constitution followed:
Aye: WLANFL, ELANFL, SCDL, SCCA, SDSL, SQNFL, CBSL, SDCBCA, YFL, VCA
Nay: GGSFA, CFL, SFBNFL, CCNFL, SVFL, BACA
Constitution failed to receive the necessary eleven aye votes (two-thirds) and was not ratified.

Motion: (Ted Moore) that the amended proposed constitution be submitted for vote at the spring 1965 meeting. Motion withdrawn by unanimous consent in favor of

Motion: (Mary Ritter) that the amended proposed constitution be submitted to the league

3
presidents for a mail vote with the 90 day required notification elapsing on January 10, 1965. Roll call vote:

Aye: GGSA, CFL, SFBNFL, YFL, SVFL, CQNFL, BACA, VCA, SDCBCA,

NAY: SCDL, WLANFL, SDSL

Abstain: ELANFL, CBSL, SCNFL, SDSL. Motion passed 9-3, 4 abstentions.

10. NFL QUALIFIERS

Motion: that NFL Districts be eliminated from qualifying status effective 1965-66 (next year).

Relatively brief discussion since the matter had been discussed at length at previous meetings and had, in effect, been decided by the vote amending the proposed constitution to eliminate NFL districts from council membership.

Bob Ferrera (CFL) read into the record a letter from Mr. Collins Haan, principal of Fremont High School, Sunnyvale, and northern CASSA representative. Briefly, the points he made were:

- 1) That, except for the areas not now covered by league qualifying tournaments, he saw no need to redistribute qualifiers in the north as everyone seemed satisfied with the present arrangement.
- 2) He suggested as a standard for a new league that it should have ten schools participating in at least five tournaments a year as a minimum.
- 3) That state qualifiers' distribution be determined by the council representatives from the area involved, or that the qualifiers be equally divided north and south and then be distributed according to population within those two areas. He indicated these suggestions were made by CFL and GGSA coaches.
- 4) That the coaches in the north were willing to eliminate NFL as a qualifying league.
- 5) He indicated concern that the SF State Workshop entry fee was 75¢ per student when the materials are supplied by Dr. Palmer's office free and that a similar workshop in the San Jose area had not been able to get such materials.
- 6) "Your ability to cope with your own difficulties has indeed made my job as CASSA representative a pleasant one."

(N.B. There was other discussion on the motion above, i.e. to eliminate NFL from qualifying.)

Vote: Aye: GGSA, CFL, ~~SE~~ YFL, VCA, BACA, SCDL, WLANFL, ELANFL, CBSL, SDSC, SCNFL
SDSL, SCCA

Nay: SFBNFL, CQNFL, SVFL Motion passed: 13 - 3

11. ELECTION OF NEW COUNCIL OFFICERS

Nominees for president: Duane Johnson and Ken Lynch

Nominees for secretary-treasurer: Ted Moore and Fr. Henry

Elected by secret ballot: President, Duane Johnson and Secretary, Ted Moore

12. MORE ON QUALIFYING

The council accepted Dr. Palmer's offer of adding six new qualifiers for have-not areas. It was further agreed that one of those would go to the Redwood League in the Humboldt area. Dr. Steele expressed his thanks. Other motions were:

MOTION: "If state entries go to 42, that there be 14 semifinalists and 7 finalists and preliminaries of seven panels of six each in each event."
Passed unanimously.

MOTION: "That the additional six qualifiers be allocated equally North and south of the Tehachapi Mountains as the council representatives from those areas so decide with preference to areas without present access to qualification."
Passed unanimously.

MOTION: "By unanimous agreement, the council representatives from the north and/or the south may redistribute their present qualifiers for the 1965 State Tournament."
Passed unanimously

MOTION: "That a committee be formed two from the north and two from the south to study all proposals dealing with qualifying and report before the spring meeting and that they include ~~standards~~ standards for keeping qualification to the State Tournament and that the committee's expenses be paid by the State Council."

passed unanimously.
The president, Duane Johnson appointed the following:
Valley: Cecil Briscoe, San Diego-Citrus Belt: Gayle Todd
L.A.: Phil Schediwy, Bay Area: Winston Miller or Fr. Henry

13. MONEY

MOTION: "That the league assessment for 1964-65 be doubled."
Passed unanimously. (N.B. This means that each qualifier will cost the league \$30 rather than the previous \$15. A league with three qualifiers in each event will now pay \$90 rather than the former \$45.)

MOTION: "That matters pertaining to Speech Education and Courses of Study be postponed and placed on the agenda for the spring meeting."
passed unanimously.

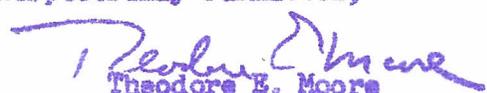

MOTION: "That the president request bids from trophy companies for State Tournament awards." passed 12 aye, 3 no.

Council members were reminded to send their rosters as soon as possible to Dr. Palmer for publication.

The council commended Bro. Maguire and Phil Schediwy for their service to the council.

This Long Parliament finally adjourned at about 6:30 PM.

Respectfully submitted,

Theodore E. Moore
Secretary-treasurer, 1964-65

A personal note: In the five or six years I have been on the council, I have often been impressed with the unusual efforts of Bro. Maguire. He served three years as secretary (and 'tis a nasty job) and was president during a difficult and important year. His witty bulletins, efficiency, and plain hard work have made a real contribution to speech in the state. I hope you will join me in expressing an extra "thank you" from all of the speech students in the state who have been benefitted by his efforts.

N.B. A more detailed version of these notes was sent to ^{McLeod} ~~Hoan~~ ~~Palmer~~

4

Notes taken at the CSSC Meeting, May 23, 1964, at Fresno State College where the Council was the guest of Dr. John Wright:

1. Meeting convened at 9:45 A.M., Room 151 of Speech Arts Building. Council matched billings with FSC Children's Theater presentation of "Cinderella."

2. People present at start: Paul Pritchard (SCSC), Phil Schediwy (SCDL), Michael Higgins (ELANFL), Kenneth Lynch (SCNFL, CBSL), Kenneth Clark and Cecil Briscoe (SVFL), Father Charles Henry (proxy for SFBSC), Jack Mansfield (GGSA), Bob Ferrera and Bob Bargman (CFL), Dr. Upton Palmer, Bro. Robert Maguire. Arrivals during the first 15 minutes: Donovan Cummings (CCNFL), Joseph Rodgers and Marian Mellgren (YFL), Mary Ritter (NVEA), Bob Higbee (WLANFL), Gayle Todd (SDSL), .X..(proxy for SCCA), Ted Moore (SFBNFL)

16 voting representatives in all. 12 leagues, 4 conference areas.

Dr. McLeod had a Cassa Meeting. Mr. Hoan did not get the notice until too late to make arrangements to be at October meeting!

3. Reading materials department:

- Tournament and NVEA expenditures report from Dr. Palmer.
- Discussion primer from Bro. Maguire
- Agenda for the meeting

4. Minutes of April 24, 1964 meeting accepted without reading.

5. Agenda (with its stated discussion method) accepted as format for this meeting.

6. Financial report. Mr. Schediwy said there was no formal report. All bills ^{unpaid} unpaid. Treasurer was directed to pay the bills. All leagues except YFL had paid dues and assessments.

7. Old Business: a. After discussion and second-guessing it was decided to have the proposed constitutional change (cf. minutes of 4/24/64) about voting rights of Conference Area representatives put on the October agenda for voting.

b. Item 9. of the 4/24/64 agenda:

I By unanimous agreement the Council decided to start with "3)" of the 5/23 agenda, and to follow the "5. Suggested approaches to these problems" as outlined in the agenda.

The NFL and its privileged qualifying status was batted back and forth, leading Dr. Palmer to unburden some scathing comments (later modified!).

(Egg in fan...end of peaceful day...department!)

Motion by Todd, seconded by Higgins, that NFL Districts give up their state-qualifying status.

After a bit the motion was tabled with the proviso that the Council discontinue the discussion as outlined in the agenda and take up consideration of Ken Lynch's blueprint for a thorough revision of the Council Constitution.

Motion by Higgins to consider Lynch's plan, several hectographed pages. Passed.

(A summary of the comments...back and forth...questions and clarifying answers...etc. is available and will be presented at October meeting.

Right now I'm running out of time!)

Lunch recess: 12:25 - 1:40.

On reconvening it was agreed to conclude at 3:30 so members could catch a southbound plane.

Motion by Gayle Todd: Accept the Lynch plan, not for discussion ^{only} but for voting, for the October agenda.

Motion tabled.

Dr. Palmer...a bit nettled...pitch for a clear-cut organization of state speech program, understood easily by all administrators, coaches, etc., comparable to that in other states. Read letter from Mr. McLeod and supplemented it with notes of a subsequent telephone conversation.

Bro. Maguire:-CASSA men (both Bruce Lawson and Norman McLeod) have said that CASSA does not want to dictate...but does want the Council to provide an equitable, intelligent speech program.
 -CASSA men have said that the Council speaks for speech in California.
 -In recent months the Coordinator and the southern CASSA representative have by-passed the Council and Council officers in making various plans and in calling meetings.

Dr. Palmer: offered to host 42 qualifiers per event, provided the extra six were allotted to six dispossessed areas.

Momentary hiatus of good will, characterized by thoughts that backs be unarched, items set cross-wise in craws be extricated, etc.

Ted Moore: Motion that the policy of the Council be that every highschool student in the state have access to a state-qualifying tournament.

Phil Schediwy: Amend to insert "equal" before opportunity, access.

Defeated 8 - 8

Moore's motion also defeated 8 - 8

Motion to bring tabled motion (Consideration of ^{rejection of NFL privileged status)} ~~Lynch's plan~~ from table. Passed.

After discussion, motion failed.

Ted Moore: withdraw NFL in three districts south of Tehachapi from state-qualifying status. Failed 4 - 11

Bob Ferrera: Motion to accept Dr. Palmer's suggestion of 42. Lost 8 - 8.

Gayle Todd: Motion to untable motion to put Lynch's plan up for vote in October. Passed.

Vote on motion itself. Passed 8 - 2 with abstentions by CFL, YFL,, GGSA, SFBNFL, NVCA, SFBCA.

Marian Mellgren: Submitted for October consideration -- any new league will be admitted to the Council and to state-qualifying status if the league has 15 schools and holds six league tournaments. Understood that the league would include schools new to speech program.

Adjournment: 3:45 P.M.

Post-meeting: Dr. Palmer washed hands of high school competitive speech.

Dr. Palmer amended this to say, in effect, that his ultimatum has a six month's extension.

Translated: Dr. Palmer as a long-time friend of speech is running out of patience, sees what ought to be done, wants things cleared up, is fed up with slow, bumbling, evolving processes.

(Social comment: Religious Orders are like armies...got a job in an old locale...so location from now on is Junipero Serra High School
 14830 South Van Ness Avenue
 Gardena, California.)

Respectfully,

Bro. Robert Maguire, *RM*

MEMBERS OF THE CALIFORNIA STATE SPEECH COUNCIL 1963 - 1964

President: Bro. Robert Maguire, S.M., Bay Area Conference Area
Riordan High School, 175 Phelan Ave., San Francisco 12 Ju. 6-8200

Secretary-Treasurer: Mr. J. Philip Schediwy, Southern California Debate League

To: Members of the California State Speech Council
 Re: Minutes of the annual fall meeting of the Council, Saturday, October 12, 1963

Dear Council Members:

In the absence of 1962-63 President Larry Mushrush (now enjoying his sabbatical in England and bringing with him a zephyr or two of fresh California air to that profumod land) the meeting was opened by the Secretary-Treasurer unmeritous at 9:30 A.M. in the sunswept Garden Room of the Miramar Hotel, Montecito.

Members of the Council as listed in the accompanying roster of membership were present --- with three exceptions: Mr. J. Philip Shediwy (SCDL)

Dr. Norman McLeod (CASSA)

Dr. Upton Palmer (at previously scheduled Berkeley thing)

Guests: Dr. Jack Cullen, Los Angeles State College, Executive Secretary of SCSC
 Coach from Ojai High School

Social Note: Save for the redeeming presence of Miss Mellgren, the Council --for the first time since its inception-- would have been a stag affair. Having virtually founded and nursed the Council since the beginning (Tsk! mixed metaphors again), the ladies seem to have moved on to greener pastures, but we all remember the charming and talented ladies of Council history. Now, in addition to their good looks, longevity, and the nation's money, they have our good thoughts as well as Matthew Arnold's prophecy that "when women shall come together simply and purely for the good and benefit of mankind, it will be a power such as the world has never dreamed."

Ancient History Department:

1. Minutes of the April 26, 1963, spring meeting were read and accepted as understood.
